SOLUTIONS FOLLOW US Tiktok Discord Twitter Youtube Instagram Telegram Более динамичный игровой процесс, новая система препятствий, множество нового оружия и уникальных умений - лишь малая часть того, что ждет пользователей, скачавших Anger of Stick 3! Пройдите более 40 уровней и доберитесь предела совершенства. Игровой процесс Геймплей ориентирован на поэтапное прохождение локаций на различных планетах, преодолении препятствий, уничтожении врагов, встречающихся на пути. В двухмерном файтинге пользователям предлагают изрядно повеселиться, потренироваться в нанесении уникальных ударов и использовании мощных супер-умений. За каждого убитого врага пользователь будет получать опыт и игровую валюту. Ресурсы в игре можно тратить на покупку нового оружия, открытие новых умений, улучшение «статов» (характеристик персонажа). Anger of Stick 3 – двухмерная аркада. По уровням пользователям предлагают передвигаться с помощью двух стрелочек в левом нижнем углу экрана – «Влево» и «Вправо» соответственно. В правой нижней части экрана находится четыре активные клавиши, отвечающие за использование уникальных умений, а также смену оружия. Особенности Девять планет; 44 уровня; Пять уникальных персонажей со своими характеристиками; Огромное количество обычных врагов и боссов; Новая система препятствий; Более динамичный игровой процесс с интенсивными ударами. В игре отсутствует русская локализация, однако это не мешает пользователям наслаждаться динамичным игровым процессом, преодолевая препятствия и убивая врагов на своем пути. FAQs about the anger of stick 3 mod APK Q1: What is Anger of Stick 3? Anger of Stick3 is an action game. It's the newest version of the famous stickman action game series called "anger of stick." This new version has cool effects and smooth animation, simple controls, many epic combos! Prepare yourself for a MASSIVE UPDATE FOR THE ALL-NEW ANGER OF STICK III!!!! YEAAAAAAAAHHHHHHHH!!!! O O Q2: Can I download this on my android phone? If yes, how do I download it on my phone? How to install apk? How can I download it on an Android phone for free? Scroll down to get a solution. I have only seen the screenshots in Market. I can't seem to download it...anyone else having the same issue? Ans: You can't download from Android Market or Google Play Store. It is not available in the play store. But you can download it for free by downloading the apk file and then install it manually on your android phone. Scroll down to get a solution. Q3: I have downloaded the file, but when I click on the application, my os says that "App not installed." What should I do? Ans: First, check whether you have enabled app installation from unknown sources in settings>security tab. If yes, then enable it. If the problem is still there, try clearing data of Anger Of Stick 3. In case nothing works, contact the developer of this app. Q4: What's the difference between the full version and the mod version? Ans: Full version is paid, and mod version is free. Also, the full version has much more options than the mod apk. Mod apk is just for fun, you can enjoy all the effects included in the complete original game, but some features like multiplayer mode, racing mode, etc., are not available in this version. If you want to play with your friends, then go for the full one. And also, online scores are not available on Mods versions. So don't waste money on buying fake games. Q5: How can I uninstall it? Ans: First, go to settings>applications>Anger Of Stick 3 and click on uninstall button in modded apps. If still, the problem is there, then go to settings > security tab and precise data. Q6: My phone says the app isn't compatible with my phone. Why does this happen? Ans: Angry of stick 3 works on almost all the latest android phones like Samsung Galaxy S3, Galaxy Note 2, HTC One X, etc. But suppose there is any problem related to compatibility. In that case, you get this error message "proc/ / sdk version (19) is not supported," then try changing your room or contact the developer for help. Last words The above article is all about Anger of Stick 3. I hope you will like this game if you play it on your phone. Just download apk file and install it on an android device.
