Autonics tc4y. Autonics tc4s.

Get Quotation Offering you a complete choice of products which include fd-620-10 fiber optic cable. Get Quotation We are the leading Manufacturer in towel & we providing best quality towel to our client. AUTONICS Company The LE4S series digital timers feature LCD Backlight display with a compact, space-saving design. Get Quotation digital temperature controller, flexible coupling, autonics temperature controllers, bth bpt-420-b1 through beam fiber optic sensor and autonics bf3rx-p through beam fiber optic sensor Tell Us What Are You Looking For ? The AT8N has three output operating modes available: ON-delay Operation: With ON-delay operation, the Timer receives an input and then an output signal is output by switching the Timer contacts after a set time delay. The timers also feature a wide time setting range between 0.05 seconds to 100 hours. Get Quotation Our range of products include encoder coupling, aluminium flexible coupling, pumn 188 a1 autonix make proximity sensor, pus 188 p1-t autonix make proximity sensor and pus 188 p1 autonix make proximity sensor. AUTONICS Company Autonics AT8N Multi Function Analog Timer 6-Mode, Multi-Range, DPDT or SPDT Timed/Instant, 100-240VAC/24-240VDC Autonics AT8N timer is an 8-pin socket type, compact 1/16 DIN timer with an... Terminal The terminal of this product is an 8-pin socket (PG-08, PS-08N). Home + Our Product Range We are well known as a prominent Wholesaler, Trader And Distributor of Proximity Sensors, incremental rotary encoder, tower light, signal light, Multiple Connectors, panel lamp, selector switch and many more. Various output operations. Get Quotation Leading Wholesale Trader of autonics hybrid type paperless recorder and autonics compact hybrid recorder from Ahmedabad. Cylindrical Cable Outgoing Connector Get Quotation Our range of products include cylindrical cable outgoing connector, waterproof connector and mc4 solar connector. Setting range The AT8N has 14 types of time ranges, from 0.05 ... 0.5 sec to 10 ... 100 hours. The ATN series is available in 8-pin or 11-pin plug models. Electronic Rotary Encoder Get Quotation Our product range includes a wide range of autonics incremental rotary encoder, autonics rotary encoder, autonics absolute rotary encoder, fotek encoder and autonics enc wheel type rotary encoder. Get Quotation Get Quotation Our product range includes a wide range of bk-pm50f bth make diffuse photo sensor, by-nt100f-q bth make photo sensor, by-pt100f-q bth make photo sensor, by-nt300f bth make photo sensor and by-pt300f bth make photo sensor. Get Quotation We are a leading Wholesale Trader of transmission coupler from Ahmedabad, India. AUTONICS Company The MT4Y/MT4W series compact digital panel meters are available in various input and output options, allowing flexible application in diverse environments. That means the time clocking starts when voltage is applied to the timer power supply section. Safety Curtain And Power Controller Get Quotation Leading Wholesale Trader of safety light curtain, autonics counter meter, autonics digital multi panel meter, power controller spc1-35 and autonics switching power supply from Ahmedabad. Get Quotation Leading Wholesale Trader of omron relay g2r-1 from Ahmedabad. Electronic Proximity Sensor Get Quotation Providing you the best range of autonics resistant type proximity sensor, autonics flat type proximity sensor, autonics proximity sensor, fotek photoelectric sensor and autonics photoelectric sensor with effective & timely delivery. The AT8N has a variety of selectable timer modes, functions, and ranges, which makes this product a convenient universal timer application choice. Simple configuration and status monitoring is possible with weekly timer programming up... Temperature Controller Get Quotation Providing you the best range of temperature controller, autonics make pid temperature controller tcn4s-24r, pid temperature controller and autonics humidity transmitter with effective & timely delivery. Get Quotation Our product range includes a wide range of pumf 5030 p2 autonix make proximity sensor, dt4848ro delta temperature controller and dt4848vo delta make temperature controller. Connector Type Proximity Sensor Get Quotation Leading Wholesale Trader of colma m8 connector, 4 pins , female, straight shape , 2 meter cable length from Ahmedabad. Autonics Incremental Rotary Encoder Get Quotation Leading Wholesale Trader of autonics, autonics supplier gandhi road, pumf 8 1.5dn1 autonix make proximity sensor and autonics sensor from Ahmedabad. Series Information Autonics ATN SeriesMulti-Function Analog Timers The ATN series multi-function analog timers feature 6 output operation modes and 12 time setting ranges for application in diverse timing control tasks. Control output The AT8N has "relay" control output. SU-105IP from Samwon Eng. This kind of timers are most often used for automated machines. AUTONICS Company Autonics analog timer AT8N-1, 6-Mode, Multi-Range, DPDT or SPDT Timed/Instant, 12VDC. Wide control time (0.05sec. Get Quotation Our product range includes a wide range of frontier timer tm-619h-2, autonix pu-1z supply 230v ac single phase, bh1m-ddt autonics make diffuse type photo sensor and top motion assembly cover for benenzer direct warping machine. Customers Also Viewed AUTONICS Company Autonics AT8N Multi Function Analog Timer 6-Mode, Multi-Range, DPDT or SPDT Timed/Instant, 100-240VAC/24-240VDC Autonics AT8N timer is an 8-pin socket type, compact 1/16 DIN timer with an... it has 2 contacts which are Time limit DPDT (2c) or Time limit SPDT (1c) + Instantaneous SPDT (1c) depending on output operation mode. Datexel Datexel DIN Rail Temperature Transmitter - DAT 4135 Multiple Inputs, Current and Voltage Outputs, Highly Accurate The DIN Rail temperature transmitter DAT 4135 linearizes the temperature... Flicker Operation: With flicker operation, an output repeatedly turns ON and OFF at the set time after an input is received. Samwon Eng. The SU105 series from Samwon Eng. Simple time configuration and operation is possible with the analog dial control. They go as low as -200°C to as far as 999°C. This company provides 15 timer series: LE8N Series: Compact 8-digit LCD digital timers (indicator only) LE3S Series: Thumbwheel switch LCD display digital timers LE4S Series: LCD display digital timers FSE Series: 8-pin plug type digital timers LE7M-2 Series: Digital week/year timers LE36S 41 Series: Compact digital week/year timers ATM Series: Miniature analog timers ATS Series: Compact multi-function analog timers AT8SD-4 Series: Compact star-delta analog timers AT8SP Series: Compact power off delay analog timers AT8SW/AT81W series: Compact analog twin timers ATN Series: Multi-function analog timers AT8SDN Series: Star-delta compact timers AT8PSN/AT8PMN Series: Power off delay analog timers AT8E Series: Simple operation analog timers Autonics timers are mainly used in: Automotive industry Packaging industry Elevator Industry Plastics/Rubber industry Semiconductor/Display Food/Beverage industry Machine Tools Logistics Medical/Pharmaceutical industry Data Sheet To View Data Sheet Please Click Here {{ result.parntsBbsCtgrNm }} {{ result.bbsCtgrNm }} {{ result.nationAtchVoList[0].extension }} {{ result.nttS }} (No reviews yet) Write a Review SKU: AT8N-2 UPC: MPN: AT8N-2 Series Weight: 220.00 Grams Description Warranty Information Additional Information The AT8N Analog timer from Autonics comes with the following features: Multifunctional timer, compact size W48 x H48mm. Control Switch And Terminal Block Get Quotation Our product range includes a wide range of autonics illuminated push button switches, autonics push button switches and non-flush, autonics push button switch and linear encoders. Autonics AT8N timer is an 8-pin socket type, compact 1/16 DIN timer with an analog type dial for easy adjustments. Interval Operation: With interval operation, the output turns ON at the same time as the input and the output turns OFF after a set time. 24VAC 50/60HZ/24VDC (universal), 12VDC. Close and din rail mounting with a dedicated socket (PS-M8), to 100hour) The AT8N Analog timer from Autonics comes with the following... Error Different types of errors are specified for AT8N timer: Repeat: ±±0.2% ±10 ms SET: ±±5% ±50 ms Voltage: ±±0.5% Temp.: ±±0.2% Temperature There are limitations in temperature and humidity in which AT8N timer is used: Ambient temperature: -10 ... +55°C Ambient humidity: 35 to 85%RH Storage temperature: -25 ... 65°C Storage humidity: 35 to 85%RH Environment resistance is rated at no freezing or condensation. 10 output operation modes... is a specialized series of temperature controllers. Get Quotation Providing you the best range of encoder wheel with effective & timely delivery. Data Sheet To View Data Sheet Please Click Here View AllClose View AllClose Related Products AUTONICS Company Autonics analog timer AT8N-1, 6-Mode, Multi-Range, DPDT or SPDT Timed/Instant, 12VDC. Wide control time (0.05sec. The timers also feature various output operation modes as well as configurable time... The units can... Multiple time ranges. For the best experience on our site, be sure to turn on Javascript in your browser. Get Quotation Signal Light And Tower Light Get Quotation Pioneers in the industry, we offer led signal light, xenon lamp signal light, pwe led wall mount signal light, 15 v led flashing signal light and bulb revolving warning signal light from India. Get Quotation Prominent & Leading Wholesale Trader from Ahmedabad, we offer infrared proximity sensor. Series Information Autonics ATN SeriesMulti-Function Analog Timers The ATN series multi-function analog timers feature 6 output operation modes and 12 time setting ranges for application in diverse timing control tasks. Datexel Datexel Programming Tools & Software - PRODAT 05 USB Suitable to configure the SMART and SLIM series devices. Internal battery, EMC compliant - CE mark - High Quality The program... Baumer Sensor And Encoder Get Quotation Our product range includes a wide range of baumer make encoder, baumer diffuse photoelectric sensor o300y.gr-11174581 and baumer proximity sensor igyx 18p17e3/s141. Realization of a wide range of power supply: 100-200VAC 50/60 Hz/24-240VDC universal. Get Quotation Offering you a complete choice of products which include fotek ssr. AUTONICS Company Timer, Analog, 6-Mode, Multi-Range, 2 SPDT, 100-240VAC/24-240 VDC, 11 Pin (socket req'd) Datexel Datexel head mount temperature transmitter DAT 1015 Multiple Input, Current Output, highly Accurate The Low-Cost DAT 1015 is a Head Mounted Temperature transmitter, also called a Hockey... Universal power supply of 100-240-volt AC or 24-240-volt DC in AT8N timer allows for flexibility in product use. ATN Series Main features 6 output operations 16 time setting ranges Wide time setting range : 0.05s to 100h Simple time setting, time range, and output operation configuration with analog dial and switches LED operation indicator and output indicator Power supply - 100-240VAC 50/60 Hz, 24-240VDC (AC/DC universal type) - 24VAC 50/60 Hz, 24 VDC (AC/DC universal type) - 12VDC (DC type) About Autonics Timers Autonics is a leading provider of automation solutions from South Korea. Get Quotation We are a leading Wholesale Trader of pumn 3015 p2 autonix make proximity sensor from Ahmedabad, India. Get Quotation We are a leading Wholesale Trader of autonics le3s series timer, autonics le4s series timer, autonics le7m-2 series timer, autonics hour meter le8n-bf and fotek timer tdvy-m6 from Ahmedabad, India. Easy mounting and installation/maintenance with a dedicated bracket for DIN 48 x 48mm. This Timer provides: Power on start timing operation Control time selectable setting range: 0.05 seconds to 100 hours Time limit or instantaneous double pole, double throw, 250-volt AC/5-amp contacts available Power on delay, flicker type and interval output operation modes available Socket type pin connection allows for panel (PG-08) or DIN rail (PS-08) mounting (sold separately) Panel mounting bracket included with AT8N Output Operation The operating mode determines the output method that is used when the set time has reached. AUTONICS Company The LE7M digital week/year timers allow time configuration and control in a week or year units. Thermo Couple And Temperature Detector Get Quotation Prominent & Leading Wholesale Trader from Ahmedabad, we offer rtd -p100 temperature detector, thermo couple and thermo couple with wp head. A power on and output status LED easily verifies proper mode function. {{ result.parntsBbsCtgrNm }} {{ result.bbsCtgrNm }} {{ result.nationAtchVoList[0].extension }} {{ result.nttS }} JavaScript seems to be disabled in your browser. Get Quotation Prominent & Leading Wholesale Trader from Ahmedabad, we offer baumer make proximity sensor igyx 12p17b3/s141, autonics gp-s070 graphic touch panels, autonics gp-s044 series graphic panel, autonics graphic panel with plc and autonics gp-s057 graphic touch panels. is a temperature controller... Autonics Switching Power Supply Get Quotation We are a leading Wholesale Trader of autonics switching power supply from Ahmedabad, India. Time operation Time operation of AT8N is "POWER ON START" type. AUTONICS Company The LE3S series digital timers feature simple and easy control with thumbwheel switches in the front and up/down mode selection switch in the rear.
