This post is part of the Color Meaning Blog series, detailing the meanings associated with colors such as red, orange, yellow, green, blue, purple, gray, black, white, brown, pink, turquoise, gold, silver and beige. White, an intrinsically positive color, is associated with purity, virginity, innocence, light, goodness, heaven, security, brilliance, enlightenment, understanding, cleanliness, faith, beginning, sterility, spirituality, possibility, humility, sincerity, protection, softness and perfection. The colour white can represent a successful start. In heraldry, white represents faith and purity. Like the opposite of black, movies, books, press and television usually depict the good guy in white and the bad guy in black. The color of snow, white is often used to represent freshness and simplicity. The association of white with cleanliness and sterility is often seen in hospitals, medical centers and laboratories to communicate safety. The white color is also associated with low-fat foods and dairy products. To the human eye, white is a bright and bright color that can cause headaches. In case of extremely bright light, white can also be blinding. In Western countries, white is the traditional colour worn by brides, to signify purity, innocence and virginity. In Eastern countries, white is the colour of mourning and funerals. In some cultures, white is the color of royalty or religious figures, as angels are generally depicted as wearing white or having a white glow. A white picket fence surrounds a safe and happy home. White hits the mind and body helping in clarity of mind, promoting feelings of fresh beginnings and renewal, helping to purify, clear obstacles and clutter, and encouraging the purification of thoughts and actions. White stones are believed to help create new beginnings, to remove prejudices and preconceptions, to see innocence in others, and to dispel emotional emotion and silence the inner critic. Other meanings associated with the color white: The expression "white as snow" is used in reference to the pure, clean and innocent. The saying "whiteout" means zero visibility. The phrase "white flag" is associated with meanings of surrender and renunciation. The term "White Elephant" refers to a rare or valuable object that is unwanted. Share on TwitterShouses on FacebookShare on LinkedIn This post is part of the color Meaning of the series blog, which details The meanings associated with colors like red, orange, yellow, green, blue, purple, gray, black, white, brown, pink, turquoise, Gold, silver and beige. Yellow, the color of the sun, hope and happiness, has conflicting associations. On a yellow hand it is for freshness, happiness, positivity, clarity, energy, optimism, lighting, memory, intellect, honor, loyalty and joy, but on the other, represents cottage and deception. An opaque or squalid yellow can represent caution, illness and jealousy. Studies show that the meaning of yellow can be warm, joy, increased mental activity, increased muscle energy. Yellow helps activate memory, encourages communication, improve vision, confidence of building and stimulating the nervous system. The bright yellow is an attention that gets color, and if used in combination with black, it is creates one of the easier color combinations to read and see from long distances. This is why schools schools, taxis and road signs are yellow and black paintings. The color of color is a spontaneous and unstable color. It is often associated with food and is widely used in children's products and marketing advertisements for children to children. Perceived as a childlike color by men, yellow is not a color that should be used during product marketing to prestigious or rich men. If yellow is abuse, it can have a disturbing effect. For example, it is a proven fact that children cry more in yellow painted rooms. Too many yellow causes loss of attention and makes it difficult to complete a task. Trake of yellow can also make critical and demanding people. Too little yellow it causes feelings of isolation and fear, insecurity and low self-esteem. A lack of yellow can cause a rigid, smart, possessive or defensive. It is believed that the yellow precious stones aid to clarity for decision-making process, increases concentration, increase energy and offer relief from burnout, panic, nervousness or exhaustion. In different yellow cultures it has different meanings. In some cultures, yellow represents peace. In Yellow Egypt it was worn to mean the dead. In Japan, yellow is for courage. In India, yellow is the color of the merchants. Other meanings associated with yellow: traditionally, yellow ribbons were worn as a sign of hope while women waited for their men to return home from the war. Today, the yellow ribbons are still used for the office houses. Calling someone "yellow" or "yellow-pantalons" is the same as they call a coward. The term "Giallo Giallo" is about to lay down and relax. The phrase "Giornalismoy Journalism" is in reference to bad or irresponsible signaling. Additional words that.
