Trial of dual therapy for viral suppression of HIV See pages 775 and 785	Reactivity of HIV antibody tests in HIV-infected infants See page 803	HIV care delivery across Latin America See page 833

Guide to Infectious Diseases by Body System

SECOND EDITION

Jeffrey C. Pommerville

Lancet authors guidelines. Lancet infectious diseases author guidelines.

The aim of The Lancet Infectious Diseases is to publish interesting and informative research articles and reviews on any topic connected with infectious diseases and human health. Topics include, but are not limited to: Anti-infective therapy, Bacterial infections, Gastrointestinal infections, HIV/AIDS, Malaria, Neurological infections, Paediatric infections, Parasitic and fungal infections, Respiratory tract infections, Sexually transmitted infections, Tuberculosis and mycobacterial infections, Tropical/travel medicine, Urinary tract infections, and Viral infections. Time from submission to first decision after peer review Not Provided Time to immediate reject Not Provided Time from acceptance to print Not Provided Total time to publication Not Provided Time from submission to acceptance 8 weeks Time from acceptance to online 4 weeks None Publication or page charges \$ All Articles judged eligible for consideration for Fast Track Publication by the journal's staff will be peer-reviewed within 72 h and, if accepted, published in 4-8 weeks. Color charges None listed The editors encourage authors to post a word-processed version of their peer-reviewed, accepted, and edited article on their personal or institutional websites any time after publication in print or online. Your document should indicate the article's citation and a link to The Lancet Infectious Diseases's homepage. This journal is included in the JournalGuide whitelist of reputable titles. Learn more here. Publisher Elsevier Societies Imprint Lancet Publishing Group ISSN 1473-3099 eISSN 1474-4457 SNIP 6.490 Acceptance rate 7% Publication Frequency Not provided Publication Languages Journal links Indices Web of Science - Science Index Expanded Excellence Research Australia show more This journal's profile page has not been yet been claimed by an official representative. Do you know this journal by another common name or abbreviation? Enter it here and use it for your future searches The Lancet Infectious Diseases is an authoritative forum for key opinion leaders across medicine, government, and health systems to influence clinical practice, explore global policy, and inform constructive, positive change worldwide.As the global leader in clinical infectious diseases, The Lancet Infectious Diseases delivers essential original research, expert review, candid commentary, and breaking news to provide context and perspective on today's most important medical advances across the broad spectrum of clinical infectious diseases. HomeJournalsThe Lancet Infectious DiseasesEditorial BoardISSN: 1473-3099The Lancet Infectious DiseasesSubmit your PaperView ArticlesEditor-in-ChiefDeputy EditorSenior EditorsAll members of the Editorial Board have identified their affiliated institutions or organizations, along with the corresponding country or geographic region. Elsevier remains neutral with regard to any jurisdictional claims. If your manuscript is not accepted by the first Lancet journal you submit to, it may be judged suitable to pass to other editors in The Lancet Group for consideration or to editors of other relevant journals within Elsevier's portfolio. To save you time, if you agree to have your manuscript passed to another journal you will not need to reformat your paper, and where relevant the original peer review comments will also be transferred. If your manuscript is eligible to be transferred to another Lancet journal (and you choose to accept the transfer), and you have already submitted Author Statement and ICMJE forms with your initial submission, then complete and include the Authorisation to transfer author statement and ICMJE form along with your transferred manuscript. 1Tran M. Barack Obama To Be America's First Black President. 2008; published online Nov.5. (accessed July 26, 2022). .
