Our APK porn games catalogue counts dozens of items in the list. Compilation of APK Sex Games includes best adult games of apk platform to relax and spend time. Sort by: Date, Rate, Popularity I have to warn you that there's only shemale sex with each other and with the hero of this game. He's just looking for a romance and wants to be loved. You have to improve your characteristics and try to impress various characters. But be careful you might end up as a slave or a hole for big dicks. 7.6K 78% Recommended Gays Ren'Py In this visual novel you'll have to lead the hero through multiple choices to reach your goals and live a fantastic week of his life. You're just 19 years old and this is your last year at school. But this crazy life can get you in various troubles, so be careful and listen to your heart sometimes. 5.2K 70% Ren'Py Join the fight in a world on the verge of chaos, chase after the sexiest schoolgirls this side of the multiverse and fuck your way to victory! Get ready for some really hot, uncensored content - Lead them into battle, and enjoy your just rewards as the hero, by unlocking sex scenes with each of them! Free Game! 2K 100% This game is situated in the fantasy world. You'll meet many magical characters like elves, orcs, goblins, as well as humans and others. You're a regular peasant who lives in a farm together with your family. Your peaceful and boring life changes as you decide to go on an adventure to seek some answers about your past, roots, the death of your father and many more. Meanwhile meet with hot girls and have some fun. Battles are organized as the card games. 6.5K 88% 3 Recommended Unity This game tells a story about humans and vampires who are living their lives side by side with each other. Mostly that's because most of the involved characters are related to you with some family connection, however there are regular friends as well. This peaceful living is interrupted because all the sudden vampires and humans are coming up dead. These deaths reminded you about similar deaths in your family and you'll start to investigate all this. 4.9K 69% 4 Ren'Py This game is concentrated around female love and romantic relationship between them, but also some guys will appear here as well. The main heroine of the game is Lisa, who is 19 years old and now has to make important decisions in her life about her studies, boyfriend, childhood friend and many more. All these decisions can lead you to naughty situations. 155K 73% 15 Recommended Shemales Ren'Py One more game where you'll uncover your inner demons and have some good time. You take the role of the guy who read some book which changed his life. You're living together with a hot landlady, but most of the time you are spending masturbating while watching porn. Now everything will change. 361.2K 83% 68 Recommended Ren'Py This sexy visual novel is about the magic, witches, vampires, demons and things like that. You are the student in the academy of magic. You were sent to the castle in the middle of nowhere where you meet with all mentioned creatures and persons. Now you'll have to entertain and be entertained by all of them. 60.1K 74% 6 Shemales Ren'Py Your city got into huge snowstorm and daily lives of all citizens are completely changed. Turns out that mysterious supernatural beings started to occur everywhere and crime level is sky rocketing. You just finished the college and will start to work as the rookie detective to help your city. Now it will be your decision what to do with supernatural beings - make a team and stop others or just make a harem of them and fuck all day long. 72.1K 77% 14 Ren'Py This weekend your father wants you to find the other place to stay, because last time when he wasn't at home you went out of control when making a party at home and drinking father's alcohol. Your buddy also can not help you. But there's another option to visit your uncle and stay there for a while. 1.5M 73% 176 Recommended Ren'Py You'll take the role of the assassin who's trying to quit the business by faking his own death. You'll have to make multiple choices to lead him through his new life in the city called White Raven. Here he'll meet with lots of women and have chances to get rid of his past. 211.5K 76% 35 Recommended Ren'Py Warning, possible gay and trans content. You'll play as a guy from a poor family who didn't found the way to get up in his life and now is working as a maid in a rich mansion. As you understand this game will feature different dominant fetishes from your boss and other family members of this rich family. Anyway, there's plenty of other stuff as well. 250.8K 67% 32 Recommended Gays Ren'Py You'll play as a girl named Banu. She's living in the Middle East and life wasn't very good so far. She lost her husband in a car accident. Then she remarried with to another girl named Kamil who also had a similar tragedy. Banu has a daughter that's why she only thinks about what's best for the child. But what about herself? 343.7K 66% 68 Ren'Py As I understand you'll face some sort of modern futuristic communism, where everything is perfect and every person matters in the society. All people are kinda brainwashed and you can easily manipulate with them. Your task will be to ruin the system and enjoy some pleasant moments. 868K 74% 154 Gays Ren'Py Ignore (click ignore button) errors when silver screen appears. You're a writer, not really good one, but somehow sold a book to buy a house. You're 43 now and luckily for you one young college girl wants to rent a room in your house. It turns out that she has lots of secret fantasies and you could be the one who could fulfill them. 358.6K 76% 36 Ren'Py This is the story about a girl named Aura. She's under the spell of the demon and now she has to battle against him every night. She can easily lose herself or try to win this battle and return to her normal state. Also there will happen different other events in this fantasy world called Roya. 483.7K 70% 76 RPG Maker Get to know all these hot girls, date them and then bang them all! Join the fight in a world on the verge of chaos, chase after the sexiest girls this side of the multiverse and fuck your way to victory! Get ready for some really hot, uncensored content! Free Game! 2K 100% This game will take us into the world of fairy tales. You'll see many famous characters from different cartoons and tales. You find yourself on the far away planet and there's a fairy in the jar. A lot of magical things will entertain you as well as having fun with lots of characters from this game. 333K 74% 122 Recommended Ren'Py You have become a superhuman, after meeting 2 supernatural creatures. As you're only 18 years old you have to understand not only your new powers but also your sexuality. But be aware as all those monsters are still around and you'll have to deal with various situations. 778.2K 78% 211 Shemales Ren'Py You recently discovered that you were a mutant when a sentinel attacked your home. You were rescued by a squad of x-men and given this address. You've arrived in the early evening at the Xavier Institute, where you've been promised a new home. Things have been tough for mutants in the years since apocalypse's fall, but this sounds like it might be a good deal. 1.3M 84% 282 Ren'Py You are a middle aged doctor who's going away from the city to hide from everything to a house which he inherited. There he'll try to start a new life and fight his own demons. But soon he'll start to face challenging situations because lots of hot girls are going to appear around him. 246.6K 71% 68 Ren'Py Remember that you have to play all previous episodes to be able to finally look what's inside here (honestly nothing much at the time of the first release of this part). Anyway continue a little bit scary and paranormal story about the life of one casual guy. 49.7K 66% 19 Ren'Py This is the part 2 of the game, find previous part on our site. As previously, the game is situated in the Crimson City and you take a role of the guy who together with 2 hot girls is going to stop zombie outbreak. During your task don't forget to have some fun with those hot girls you save. 750.3K 75% 129 RPG Maker You will play as Ryen. He's something between human and dragon. Somehow life turns around in a way he becomes a king and now he'll have to deal with all tasks that kings have to. As usual in RPG Maker games you'll have to run around the maps and read the briefings to know where to search for the next task. Lots of hot images in this game. 1.9M 79% 408 Shemales RPG Maker This is a text based game where you have to explore different galaxies, customize your character, meet other strange creatures and many more. There's no animations or illustrations in this game, everything is based on text. If you want to jump deep into world of this game you have to read carefully. 1.7M 74% 255 Recommended Gays HTML Take the role of the guy who just got released from the prison. Despite that he still feels imprisoned in his head because of the past. Now you have to help him to travel and search for something to fill the emptiness inside him. Bikers clubs, sex with lots of girls - will that replace the family he has lost? 76.9K 78% 11 Recommended Ren'Py A young student girl was murdered in the local high school. You'll take the role of a young detective who has to investigate this crime. I have to mention that this school is full of young and hot girls. Really soon you'll uncover few secrets of this place and get closer to the answers you're looking for. 36.7K 66% 7 Ren'Py This game was turned into RenPy game from RPG Maker. So you'll see a lot of things that are common for the other engine. This is the story about girl named Jennifer who decided to make a road trip to another country totally alone. See how her adventure evolves and with how many guys she'll sleep with. 48.9K 68% 5 Ren'Py Probably most of us remember years of studying as one of the best periods in our lives. It's the time when you become adult and you start to explore your sexuality, meet with new people and start partying for real. The game is exactly about that, a young guy who is in this situation. But not everything will be so sweet and cool as we described. 2.3M 88% 370 Recommended Ren'Py It all starts in a small town as you take the role of the guy who just started to study in college and lost his father. There are many unanswered questions around his death and finally you get to know about debt of your father to some gangsters. Besides that you need money for the college and find a girl for the prom night in the college. 2.4M 83% 507 Recommended Shemales Ren'Py You have heard of 3D family simulators, but have you played the boldest, edgiest one yet? Family Simulator takes family cartoon porn to perverse levels. You will never play another 3D sex game again. Make sure your heart is healthy enough for this perverse world of hot sisters and step-moms getting banged. 2K 100% You'll take control over Jennifer Turner - 37 years old woman who has a husband and daughter Maya who's just about to go to the college. Her happy life ended up as 3 guys took over her home and now she needs to decide what to do, cooperate with them or try to resist. As the game goes on you'll get to know all characters better. 679.4K 67% 88 Ren'Py You'll take the role of the 18 years old guy who dreams about the sex day and night as any guy in that age. It gets more intense as it's summertime and girls are exposing their bodies and that draws him crazy. Help him to reach his goals and finally fuck somebody at home or neighborhood. 225K 76% 26 Ren'Py
